 Stylist Kim Costa

 @stylist_kim_costa

I am young at heart and love to manifest great energy!

I ask a lot of questions! The consultation process might take a bit of time, but you will feel confident and excited for the end result! I pride myself on being able to hear and see what you want, and love to hear from my guests -

“This is just what I wanted, but didn’t know how to say it!”

I love to create beautiful, dimensional hair color, hair that looks great on *YOU*, and makes you feel great too!

I have been told that the amazing conversations my guests and I have, often feel like therapy!!

I am so looking forward to having you as a guest in my chair!

XOXO
